MEMORANDUM FOR:

25X1

Washington Liaison Officer  
US Army Foreign Science & Technology Center (FSTC)

SUBJECT: COMIREX Orientation at FSTC

Per our conversation on Monday (9 May 1983), attached is a list identifying those individuals who are planning to visit the US Army Foreign Science & Technology Center (FSTC) in Charlottesville, VA. during the COMIREX trip scheduled for Tuesday, 9 June 1983. It is my understanding that you are arranging helicopter transportation from CIA Headquarters via two aircraft, one departing at 0745 and a second departing 0800. Estimated time of return to CIA Headquarters is 1645 and 1700 respectively.

In the event there is a last minute schedule change, on the evening before or morning of the trip, I can be contacted at home in Gaithersburg, MD on
